

Denise Casalino

Senior Vice President, AECOM

Denise Casalino is the Metro Growth Leader for the Midwest Region in the Design and Consulting Services Group for AECOM Technology Corporation.

Ranked as the #1 engineering design firm by revenue in Engineering News-Record magazine's annual industry rankings, AECOM is a premier, fully integrated infrastructure and support services firm, with a broad range of markets, including transportation, facilities, environmental, energy, water and government. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments.

In this role, Ms. Casalino is responsible for the overall strategic direction, growth, and performance of all of AECOM's business lines; including Transportation, Water, Environment, Energy, Buildings + Places, PMCM, in the Midwest Area.

Additionally, Ms. Casalino is also the Metro Executive for the Chicagoland Area.

Prior to joining AECOM, Ms. Casalino spent 10 years in City Government for the City of Chicago. With increasing responsibility she finished her tenure as Commissioner of Planning and Development in Mayor Richard J. Daley's cabinet.

With 30 years of experience in the development, design and management of complex infrastructure projects, Ms. Casalino has been a leader in project development, specifically in the Chicago area and greater Midwest. She believes that a combination of local presence, technical expertise and global reach gives clients the confidence of local knowledge with proven global solutions on complex project
